

Welcome to BGSE

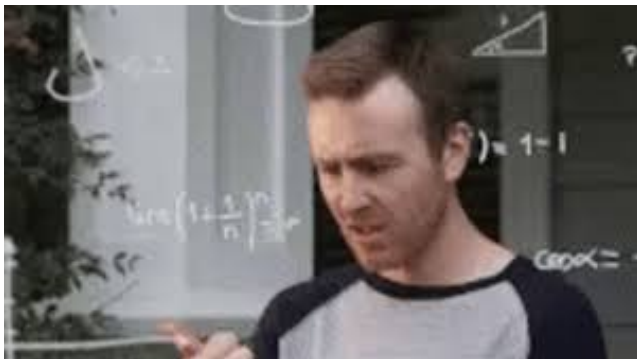

Max Müller & Theresa Hübsch

October 9, 2023

At BGSE... you'll collaborate with super motivated and inspiring people

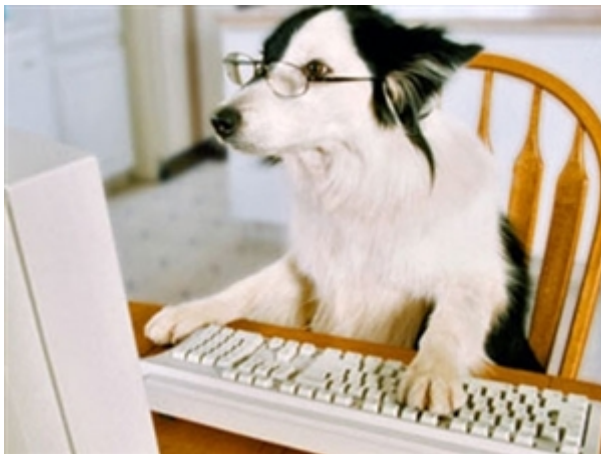

At BGSE... you'll learn a lot during the first year

At BGSE... you can make many good friends

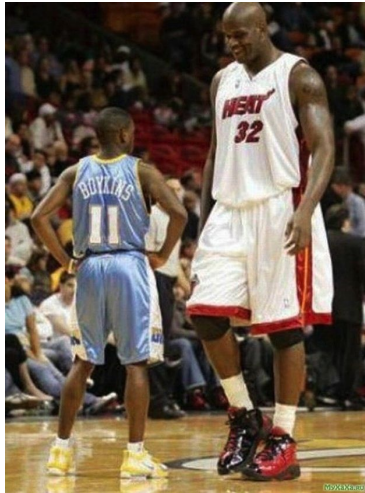

At BGSE... there is a vibrant research environment

Don't be discouraged

Don't compare too much to others

First year is not a competition

Collaboration is key

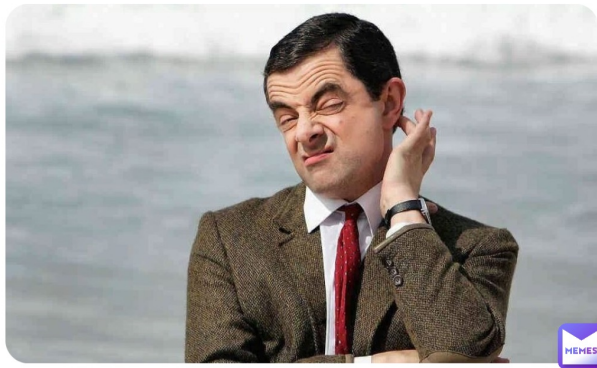

Get to know each other

Maintain a life outside BGSE

When someone asks you what your hobbies are

Work hard and efficiently

- Choose your battles wisely
- Ask questions
- Get help

Classes

- Different experience for everyone
- Talk to Professors and TAs
- See study guide for more tips

Exams

- Don't freak out!
- Midterms do not matter much
- If exams seem really hard, solving them completely is usually not expected for good grade
- Old exam questions in the google drive

Mental health

- Talk to your buddy and/or peers
- Talk to student representatives
- Talk to Silke
- Psychological counseling and psychological clearing provided by the university
- 👉 Keep in mind that BGSE is not everything in life. Exams and midterms are temporary.
- 👉 You are not alone! Please seek help if you are struggling!

Socializing opportunities I.

- BGSE mystery lunch
- BGSE female lunch
- 👉 Join the respective slack channels

Socializing opportunities II.

- BGSE football / tennis / squash
 - Gym
 - University sports
 - University orchestra & choir
- 👉 Join the respective slack channels or see websites of university
